Dear Mrs. Manley:

This will acknowledge your nice letter of March 14th and will confirm the following dates:

May 4 N.Y. Black Yankees vs N.Y. Cubans
May 18 Newark Eagles vs Baltimore Elites
May 24 Newark Eagles vs Phila. Stars
June 1 Newark Eagles vs N.Y. Cubans
June 15 Newark Eagles vs Baltimore Elites
June 26 Newark Eagles vs Homestead Grays

At your request we are holding May 8th and June 7th open for you and will appreciate word from you as soon as possible whether you intend to play here on those two dates.

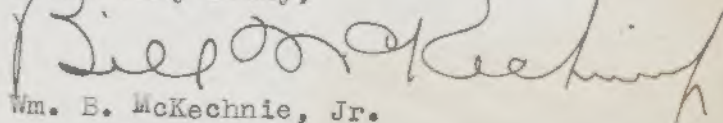

I am assuming that this includes the first half through July 4th. You will recall that we had your club in Trenton last year to play a game in the evening of July 4th and I think plans are already underway to request a return engagement of that date. The opposition will likely be an All Star Industrial League team from the Trenton area. I will want to know whether that can be included in your present plans.

Your request for park rental of 15% is all right. We will go along on that basis for the rental and will charge \$20 an hour for lights. As usual, you will pay for the few ticket sellers and takers and other park help that will be needed for the game as well as for balls and umpires. The Trenton Club will supply the tickets and will assume all groundkeepers salaries for getting the field and stands in shape before and after the game.

You may count on our helping out in any possible way.

Best wishes.

Yours very truly,

Wm. B. McKechnie, Jr.
